THE ACES WEEK EVENT

19 to 21st April 2022

The Department of Computer Engineering of Dr. Babasaheb Ambedkar Technological University, Lonere organized ACES WEEK for the students of Computer department.

A. Aim

The main aim of conducting ACES WEEK was to shower joy and enthusiasm among the students. The main purpose of this was to highlight individual's technical as well as soft skills.

B. Schedule of Event

Date	19th to 21st April 2022
Time	2:00pm
Venue	Computer Engineering Department

C. About Codehunt

Code hunt was one of the events in ACES week 2021-22, held from 18 April to 22 April at Dr. Babasaheb Ambedkar Technological University.

It was conducted by First Year Computer Engineering (2021-22)

The Event was held in three rounds, which were

- **CONDING CONTEST**

First round was coding round where students according to their year competed against each other to proceed for second one. In this round technical and logical skills were tested.

- **THE TREASURE HUNT**

The contestant's who won the round 1 were qualified for second round. In this round each team was a clue which was different for every team and the ending clue was common for everyone.

- **COOKING CONTEST**

Those who won second round qualified for third one. The round was kept secret for all at the end it was disclosed on the spot. The contents have to make sandwiches and sell them, and the team with maximum amount of money at the end was declared as winner.

The Winner Got Gift Hamper.
