## Department of Computer Engineering

### THE ACES WEEK EVENT

19 to 21st April 2022

---

The Department of Computer Engineering of Dr. Babasaheb Ambedkar Technological University, Lonere organized ACES WEEK for the students of Computer department.

#### A. Aim

The main aim Conducting MRD event was to shower joy and enthusiasm among the students . The main purpose of that event is to give complete placement oriented experience to the participants.

#### B. Schedule of Event

<b>Date</b>	<b>19<sup>th</sup> to 21st April 2022</b>
<b>Time</b>	<b>3:00pm</b>
<b>Venue</b>	<b>Computer Engineering Department</b>

#### C. About MRD

MRD was one of the events in ACES Week 2021-22, held from 19 April to 21 April at Dr. Babasaheb Ambedkar Technological University.

It was conducted by 2<sup>nd</sup>, 3<sup>rd</sup> & 4<sup>th</sup> year computer engineering (2021-22)

##### ❖ Entry fees: 50/-

- On day one of event there was a aptitude test in that test their team members has asked the multiple choice and verbal questions to the participants. Later on there was a group discussion where MRD team gives topic to the participants on that they have to do group discussion, on the behalf of that they goes for technical rounds.
- On day two of event there was a technical round-1, in that they compete the winners of day one. In the technical round there was a coding contest where they have to do coding, On that performance they decides the contesteer of next round.
- On day three of event there was a technical round-2 and the final round, where the winners of technical round-1 have to face the interview like HR interview ,and then their

team decides the winners based on the performance given by the contesters in the HR interview.

So from this event participants learn a lot of things, like they came to know that which type of questions are asked in an interview and how to face the interview.

On day four there was prize distribution, prizes like goodies, certificate for winners, certificate for participants.
